PRICE DOCUMENT

Published: September 23, 2026 | Provider: Trusty AG, Hünenberg, Switzerland

This Price Document forms an integral part of the Trusty Terms of Service and the applicable Additional Terms for each Application. All prices are net prices, exclusive of VAT and other applicable taxes.

1. Subscription-Based Applications

1.1 Trusty Whistleblowing

Plan	Annual Fee (EUR)	Description
LITE	588	1 user, 1 language; basic case management
STANDARD	828	2 users, 2 languages; guided reporting forms; standard case management
ADVANCED	1,188	Unlimited users and languages; advanced workflows, branding and reporting

Plan features are described on the Web Site and in the Application. Subscription fees are charged annually in advance in accordance with Article 5.1 of the Terms of Service and are subject to CPI indexation.

1.2 Compliance App Boosters

Booster	Annual Fee (EUR)	Description
ESG Booster	1,200	10 policy activations and 6 training activations (ESG topics); Whistleblowing LITE; 100 Credits
Compliance Booster	1,200	10 policy activations and 6 training activations (core-compliance topics); Whistleblowing LITE; 100 Credits
FinTech Booster	1,800	16 policy activations and 8 training activations (FinTech topics); Whistleblowing LITE; 100 Credits
MiCA Booster	1,900	17 policy activations and 11 training activations (MiCA topics); Whistleblowing LITE; 100 Credits

Compliance App Boosters are subscriptions (Articles 5.1 and 5.5 of the Terms of Service), charged annually in advance. Activations included in a Booster are valid for the Booster term and renew with it. The 100 Credits are granted on first sign-up only.

2. Credit-Based Applications and Services

Credits are prepaid, usage-based units governed by Article 5.3 of the Terms of Service and the applicable Additional Terms, and may be used across supported Applications. The unit price of a Credit is set out in Section 3.

Items charged "per year" are valid for twelve (12) months and renew automatically by consuming the Credits then applicable, unless deactivated before the renewal date. If the Account does not hold sufficient Credits at the renewal date, the item expires and becomes inactive.

Responding to requests received from other Clients (for example questionnaires, certifications or information requests in QuickScreen 360 or EUDR Passport) is free of charge for every Account, whether opened upon an invitation or already existing (Article 3.5 of the Terms of Service).

2.1 EUDR Passport

Operators

Service	Credits	Description
Product Profile, supplier onboarding, DDS generation and submission with own EU IS credentials	0 (free)	Per Product Profile
Risk assessment with monitoring	90 per year	Per Product Profile, up to 10 plots or 2,000 ha; charged again in full on any change to the Product Profile inputs
Plot surcharge	+2 per plot	Per plot above 10 plots; uncapped
Hectare surcharge	+25 per started 1,000 ha	Above 2,000 ha; capped at +150
Risk resolution module: Resolve Essential	290 per year	Where only plot-level risks are flagged; 10 placeholders included
Risk resolution module: Resolve Complete	490 per year	Where country risk and/or supply chain complexity is flagged; 10 placeholders included
Additional placeholder	10	Per placeholder beyond the 10 included
Upgrade from Resolve Essential to Resolve Complete	490 less pro-rata credit	Only where a re-run newly flags country risk or supply chain complexity
DDS submission via authorised representative	10	Per DDS successfully submitted

Only the higher of the plot and the hectare surcharge applies. A polygon counts as one (1) plot at its actual area; a pinpoint for cattle counts towards neither; any other pinpoint counts as one (1) plot and two (2) hectares. The price is displayed in the Application before Credits are committed.

Examples: 6 plots, 120 ha: 90 Credits. 40 plots, 1,500 ha: 150 Credits. 1 polygon, 5,000 ha: 165 Credits. 1 polygon, 20,000 ha: 240 Credits.

Downstream operators and traders

Service	Credits	Description
Product profile monitoring, first profile per supplier	75 per year	Per supplier and commodity
Each additional product profile, same supplier	25 per year	Per further commodity, HS code or origin

The risk assessment, surcharges and risk resolution modules do not apply to downstream operators and traders. Example: 200 suppliers plus 100 additional profiles = 17,500 Credits per year.

2.2 Compliance App
